Subject Re: RDRA CD

Yes--I just got back several undeliverable messages from the large email I sent out on January 9th so I broke it up in pieces and re-sent the materials. The two exceptions are that in today's email I included MSWord versions of the redlined CD and the SOW.

Sorry for any confusion.

Hello. I just wanted to clarify something. Are the attachments to your January 9, 2007 email to Mark the same as the attachments to your two

January 10th emails? Thanks.
